

Donation Request Form

If you are reading this, it's because you are one of those people who, like Pangea, is committed to making the world a better place. Thank you.

As you might imagine, we receive a lot of requests for donations. We have come up with a system so we can best manage them. To improve your chances of receiving a donation, please make sure you read the following carefully:

- Pangea donates to environmental, humanitarian and/or locally-based causes.
- Pangea does not donate to individuals, for-profit organizations, academic or medical research, or religious or political groups.
- Our submission deadline is the last day of every month. We review all request and allocate our entire donation budget at once, on or before the 7th of each month. This means if you are requesting a donation for this month, it is past our deadline; we already gave away all of our donation budget for the month, and we will not consider your request.

If possible, please attach this form to a formal request made on organization's official letterhead.
